

**My work:** I get paid to shoot people! I do editorial, pin-up, wedding and lifestyle photography. I love working for *skirt!* and shooting "vintage pin-up" photography for my business, Birmingham Bombshells.

**My passion:** Giving others the confidence they SHOULD have!

**What keeps me awake at night:** My sweet dog snoring.

**The most important thing I ever lost:** My job... and it was a blessing in disguise. Thank God I am working for myself now.

**My blogs:** [angelakaren.wordpress.com](http://angelakaren.wordpress.com) and [birminghambombshells.com/blog](http://birminghambombshells.com/blog).

**I'm thinking about:** Retiring in France.

**I'd like to learn to:** Aerial fabric dance. If I weren't a photographer, this would be my next choice!

**My grandmother always said:** "Never fall in love, grow in love!"

**My first job:** Gas pumper at a small town service station.

**At the end of a long day, the first things I want to do is:** Have some vino.

**I wish...** That the media would stop talking about the economy.
